PAVESTONES

Venetian Stone™

Pave Stones

The Venetian Stone™ product is the latest development in enhanced pavements. Its uniquely attractive cleft surface sets it apart from other pavement treatments. This texture resembles old world charm and invokes a traditional convention. The Venetian Stones™ larger scale lends itself to stately residential settings and more expansive commercial applications. Its modular pattern equalizes the scale of any project and is fitting to most any architectural elements.

PAVESTONES

Vintage Stone™

Pave Stones

The tumbled Vintage Stone™ product mixture delivers scale, color and modular design options for a unique pavement expression. The truly random pattern of Vintage Stone™ expands an infinite number of impression possibilities making it one of the most popular design tools for pavements today. The tumbled Heritage™ texture and the Giant Vintage Stone™ open up the scale for more elegant designs.
